Director, Center for Prevention of Preterm Birth

“Transdisciplinary Approaches to Preterm Birth Prevention”

Thursday, February 1, 2018
12:00-1:00 PM
Moss Auditorium (A2-342 MDCC)

Hosted by UCLA Neonatology Division

RSVP (required for lunch): Kristie Smiley (Ksmiley@mednet.ucla.edu, 310-206-6197)

This series is supported in part by a Catalyst Award from the UCLA Clinical and Translational Science Institute (CTSI; NIH/NCATS grant #UL1TR001881).

The UCLA Children’s Discovery and Innovation (CDI) Institute, established through initial philanthropic funding to UCLA Mattel Children’s Hospital and the Department of Pediatrics at the David Geffen School of Medicine at UCLA, encourages multidisciplinary child health research and research training at UCLA across the spectrum of basic, translational, clinical, and health services research. For more information, including details about seminar updates, please visit the CDI Institute website: www.uclahealth.org/cdi or contact:
